**NEW RIVER PARK • 300 GOOCH RD • DAHLONEGA, GA**

Karen Peck & New River's Homecoming is the reflection of what the historic city is known for...pure Dahlonega gold.

At New River Park you will find pink and gold dotting the sky in a splash of color among a canopy of green spread across the Georgia Mountains. Nestled in a field you'll see a wooden cross sitting atop a steeple. The cross stands as a marker of what takes place in the heart of the building. Praise. Worship. Prayer. The wonder of God's beautiful creation is a perfect setting for KPNR's Homecoming held Father's Day weekend, so be sure to save the date and come join us!
